

Friends of the CRC Membership Application

2016 Membership Drive

The Cemetery Restoration Committee (CRC), founded in 2006, is a group of independent volunteers brought together to restore five historic and sacred cemeteries located within the Village of Patchogue. This restoration project is undertaken in conjunction with the Greater Patchogue Foundation, Inc.

The Foundation Board recently created a Cemetery Task Force to build upon the work of the CRC and assist with fund raising to insure regular maintenance of the cemetery grounds and to complete its restoration. This task force includes the founder of the CRC, members of the Foundation, The Village Board of Trustees, and members of the community.

Membership is open to all descendants of those buried in the Lake View, Rice, Union, Gerard, and Old Episcopal Cemeteries and *others* wishing to help restore and maintain these historic and sacred grounds.
